Sir,

In submitting herewith the letter R.C.No.2786/M. I.H of 28 dated 16- 8- 28 together with its enclosure from the President, Taluk Board, Mangalore, I have the honour to state as follows:-

2. The 5 schools referred to by the President, Taluk Board, Mangalore in his letter were opened with the aid of Taluk Board funds. It is the policy of Government to subsidise the cost of maintenance of only those schools sanctioned to be opened in centres with a population of 2000 and above. Of the 5 schools three schools noted in the margin are in centres with a population of 2000 and above, but no subsidy can ordinarily be granted towards the maintenance of even these 3 schools, as it

1. Bijai
2. Padavu
3. Kolachikambla.

it would only relieve the Taluk Board of its expenditure on Elementary Education. The schools were opened by the Taluk Board without the assurance of any grant from Government. It is for consideration, however, that there is a deficit in the Elementary Education fund. The President, Taluk Board applied for a special subsidy to wipe off (nearly Rs.6300) the deficit, but the request was refused by Government in their Order No.1523 Law Education dated 19-7-28 approving the Budget Estimate for 28-29 of the Elementary Education fund. The Government directed the Board to keep the expenditure within the normal receipts. The President, Taluk Board again addressed Government to reconsider the orders. Reconsideration was also refused in G.O.No.Mis.2011 Law Education dated 17-10- 28. If this Taluk Board had not opened these schools last year subsidy would have to be paid in due course for opening of schools in the three centres with a population of 2000 and above In the current year subsidy has been sanctioned in G.O. No.703 Law Education dated 4- 4- 28 for the opening of 3 girls schools(2 for non-Muhammadans and 1 for Muhammadan girls'). In view of the deficit referred to, and as the Board levies the maximum Education cess on land cess the Taluk Board may be permitted as a special case to utilise the subsidy sanctioned for the 2 non-muhammadan girls' schools towards the maintenance of 2 of the schools opened in centres with 2000 inhabitants or more with effect from 1-8-1928.

I have the honour to be,
S i r,
Your most obedient servant,

Sir

I have the honour to state that 5 girls' schools at school-less centres viz: Bijai, Padavu, Aikala, Kolachikambla and Gurpur were opened last year by the Board. For want of funds to carry on the schools, successively, I requested the Sub Assistant Inspectress of Girls' schools, to address the Government to sanction subsidies for the maintenance of the schools. But she regrets that she cannot do so as, as per rules she says it is the duty of the Taluk Board to address Government in the matter. I therefore beg to request you to sanction the (~~following~~) recurring

subsidies to the marginally noted schools.
